

The all-new, free Carbon App - latest daily financial news, tax tables, tax calculators, mileage and expenses auto-trackers, document scanner and more.

DOWNLOAD CODE IS 0816

At Carbon Accountancy, we have always prided ourselves on being ahead of the curve in our sector. We have led the way in adopting new technologies and a more innovative approach to accountancy; something which is proving very beneficial to our clients.

***With our new app launching this week, you can get the latest daily financial news (no more than one alert per day) including a handy, same-day summary of every key government announcement, including the March 3rd Budget. Plus expert tax tips, tools, calculators, document scanners and much more.
More detail below.***

We keep pushing the boundaries, to make sure we are always up to date with the latest technology where we think this can benefit our clients and our staff, whether that's the latest forms of cloud accounting software like Xero or Receiptbank (now Dext), the first software company to automate the collection and data extraction of receipts and invoices.

As you'd expect, we were also one of the first accountancy firms in London to fully embrace social media and a [recent independent study in October 2017](#) showed that we punch well above our weight when it comes to social media influence, outranking many of the biggest accountancy firms in the UK.. [Follow us here.](#)

We are now launching our new App, which provides you with all the very latest financial news sent to you every day (no more than one notification per day), plus stock market prices, important UK Tax rate information, Tax Tips and key tax dates for the current and previous year, direct contact to Carbon staff within the app plus many useful tax calculators and tools such as:

- Company Car and Mileage auto-calculator for your trips
- Full integration with Xero, Receiptbank and other software
- Document scanner
- Corporation tax
- Payslip calculator
- Inflation
- Inheritance tax
- Stamp duty
- Self-employed tax calculator
- VAT
- Mortgage payment calculator
- Capital Gains Tax calculator
- "Should I incorporate?" calculator

Download this this app and you'll never again be hunting for that tax information card you've put in a 'safe place'.

Plus, you'll get a handy same-day summary of every key government announcement, including the March 3rd Budget.

The handy Tax Tips area gives you categorised tips and ideas on how to reduce your tax bill together with news, events and services areas.

You can download the app here:
